

# Shared Medical Appointment

Engaging the Patient

# What is a Shared Medical Appointment?

**Multidisciplinary  
Support Team**

**Participants**  
N= 6 to 8

- **Monthly 2 hour long meetings**
- **3 months window, minimum**
- **6 month follow up**

# Roll Out Details

- Currently have 2 SMA's ongoing
  - Initial focus groups held for both
- Reaching out to additional clinics to vet their willingness
- Should be pharmacist driven

# Provider Role

Provider...

...determines patients best fit for the sma

...provides a list of these patients

...invites personally through phone call  
or at normal appointment

...attends all three meetings

...follows up with patients at 6 month meeting
