

Indiana Clinical and Translational Sciences Institute (CTSI) TL1 Predoctoral Training Awards in Translational Research

PROCEDURES for SUBMISSION

Application due date: November 18, 2021

Please use the following checklist with your application:

Applicant:

1. Completed Application Intake Form in WebCAMP
2. Completed Application (5 pages maximum for description of research)
3. Bibliography or citation list (does not count towards 5 page application limit)
4. Curriculum Vitae (5 pages maximum)
5. Transcript from current graduate program (unofficial transcripts are accepted)
6. Two letters of support - one from the clinician or clinician-scientist mentor with a doctoral degree and one from the non-clinician (i.e. basic, life, or engineering) scientist mentor with a doctoral degree.

Primary Mentor:

1. Current NIH Biosketch with the intent to indicate research publications and grant support
2. Letter of Support for applicant emailed to pcmcquir@iu.edu. The letter should include a brief statement regarding how the trainee's proposed research will complement your research program. Also, an evaluation of the strengths and weakness of the candidate's preparation for conducting clinical translational science is required along with a description of training activities that will be completed to address any weaknesses.
